

20/004/2018

Dear Parents and Carers,

It has come to my attention that a couple of parents did not receive text messages regarding their children winning awards for the multiplication awards scheme. I can only apologise for this.

If the child is to receive a multiplication or reading award they will be informed of this before the assembly by their teachers and can notify you at home so that you can make the decision to attend if possible.

Text messages will continue to be sent out for the Bronze/Silver/Gold Awards, Rivington Remarkables and Seven Wonders. We love to see you in our assemblies but please do not feel that you must attend – we understand that due to work commitments many of you are unable to join us as frequently as you would like. As a working Mum who very rarely gets to visit their child's school for special occasions, I understand this.

After the May holidays we going to move the Friday assembly to a Monday morning so that it allows more time for Parents to arrange time off in order to attend. Details of the children who will be receiving the awards will be placed onto the weekly newsletter and sent out on a Friday morning.

The first Monday back (11.06.2018) will just be a welcome back assembly.

Please feel free to contact me with any further questions or concerns.

Best wishes,

Sarah Annette
