Dear Parents,

Thank you for understanding regarding breakfast club and late-stay. I can fully appreciate that having these vital support lines taken from you whilst trying to work and manage your everyday life is immensely challenging.

Thankfully, we have managed to secure a room at Albany to accommodate both breakfast club and late-stay from Monday 9th July. At the present time, we are not able to offer the full-time duration for both but please leave this with me and I will reduce charges according to the time reductions in place as you are not receiving the same level of service. As I write this it has not been fully decided the best way to do this but will get back to you immediately when I have further information from finance.

Breakfast will begin at 8:00am in the canteen located in the unit in which we are based. Late-stay will run until 5:00pm in the same canteen.

To access the canteen you do not use the same entrance which is used for picking up and dropping off at Albany. You need to access the main entrance on Bolton Road as normal but just as you are heading towards the main doors take the path through a lawn on your left-hand side. Follow this path and it will lead you to a set of double-doors where the staff and I will welcome the children into the canteen and play area at Breakfast Club and where you can pick up for Late-Stay.

I hope that this arrangement assists you in some way.

Please contact me at head@rivington.lancs.sch.uk if you have any further concerns or questions.

Best wishes,

Sarah Annette
